STON

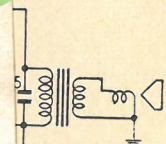

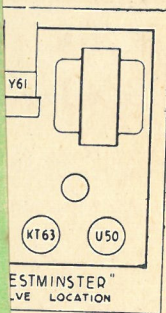

"Westminster"

THE 7-VALVE DUAL-WAVE MODEL.

THIS model is a 7-valve all-world receiver incorporating many new features, i.e., a special wave change indicator telling which band is in operation, finger spin tuning, magic eye, tone compensation, "broad vision" dial, elliptical speaker. The cabinet beautifully finished in figured walnut is of generous dimensions and scientific construction, which not only lends dignity to the appearance, but at the same time ensures the high fidelity of tone characteristic of "His Master's Voice."
