Every "Courtenay" Receiver carries a Five-year guarantee against any Electrical breakdown. Remember this when contemplating purchasing your Radio.

We respectfully beg to draw your attention to the following:—

1. Made in New Zealand to suit local conditions.
2. Five years' guarantee against electrical defects.
3. Our Factory is here in Wellington, no delay in sending thousands of miles for parts in case of replacements.
4. You are helping New Zealand and New Zealand workers to keep your money here instead of sending to foreign countries.
5. Concluding, we can justly claim our "Courtenay" Receivers more than compare with the very best imported makes.
