**"PETREL" 8 valve bandspread all
wave mantel**

A phenomenal performer, this 8-valve Allwave Model incorporates "bandspread," enabling shortwave to be tuned with the ease of Broadcast. A 10" high fidelity speaker gives an amazingly rich tone with perfect clarity, either on high or low volume. Special features are 5-position tone control and large dial area with coloured band indicator. The cabinet is beautifully designed and finished in selected veneers polished to a mirror-like finish. Complete Bandspread giving continuous coverage from 13-94 metres. A complete and perfect Mantel model.
